British Gas
Here to solve

Hello,

Hopefully the hard bit is nearly over, the boxes are almost unpacked and you're settling into your new home. We're here to make sure it stays warm and cosy for you. If you haven't already, call us right away to:

- Set up your energy account
- Pick a tariff or payment method that could save you money.
With so much uncertainty in the global market, now would be a good time to fix your energy prices. We'll help choose the right option for you.
- Give us your meter readings, to make sure you only pay for the energy you've used since moving in
- Request a smart energy monitor to go with your smart meters, so you can see your energy use in real time.
